Reference

The South Dakota Good & Healthy Community Checklist was developed and adapted from the Ohio Healthy Communities Checklist and with approval from the Primary Prevention Section and Creating Healthy Communities Program, Ohio Department of Health.

The Ohio Healthy Communities Checklist was funded by the Preventive Health and Health Services Block Grant from the Centers for Disease Control and Prevention (CDC) and administered by the Ohio Department of Health, Bureau of Health Promotion and Risk Reduction, Creating Healthy Communities Program. This publication (journal article, etc.) was supported by Grant Number 2B01DP009042-11 from CDC. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of CDC.
