BCBH® Diabetes is a diabetes self-management program designed to help adults with pre-diabetes or type-2 diabetes **gain confidence** and **learn skills** to better **manage** their own health, stay active, and **TAKE CHARGE!**

YOU CAN MAKE A DIFFERENCE!

- You will enhance your health and the health of your community as you share the gift of self-management with others.
- You don't need any previous teaching or healthcare experience, but you must plan to attend **the full day (9:00am – 5:00pm)** in order to be certified.
- Registration is **FREE**. All materials, handouts, and supplies are included, along with lunch/refreshments during your training.
- After completing the 1-day cross training you will be able to co-lead the six week BCBH workshop in your community.

Don't miss a chance to be a part of this life-changing program!
